## Getting started with Reports

Use Cases

Quick Tips

## Examples

You can use Reports however you like. Here are a few examples:

## Notes to self

Add a graph to reference later.

[See Example →](#)

## Work log

Track what you've tried and plan next steps.

[See Example →](#)

## Collaborate

Sharing findings with your colleagues.

[See Example →](#)

## Featured Reports

[Go to Fully Connected →](#)

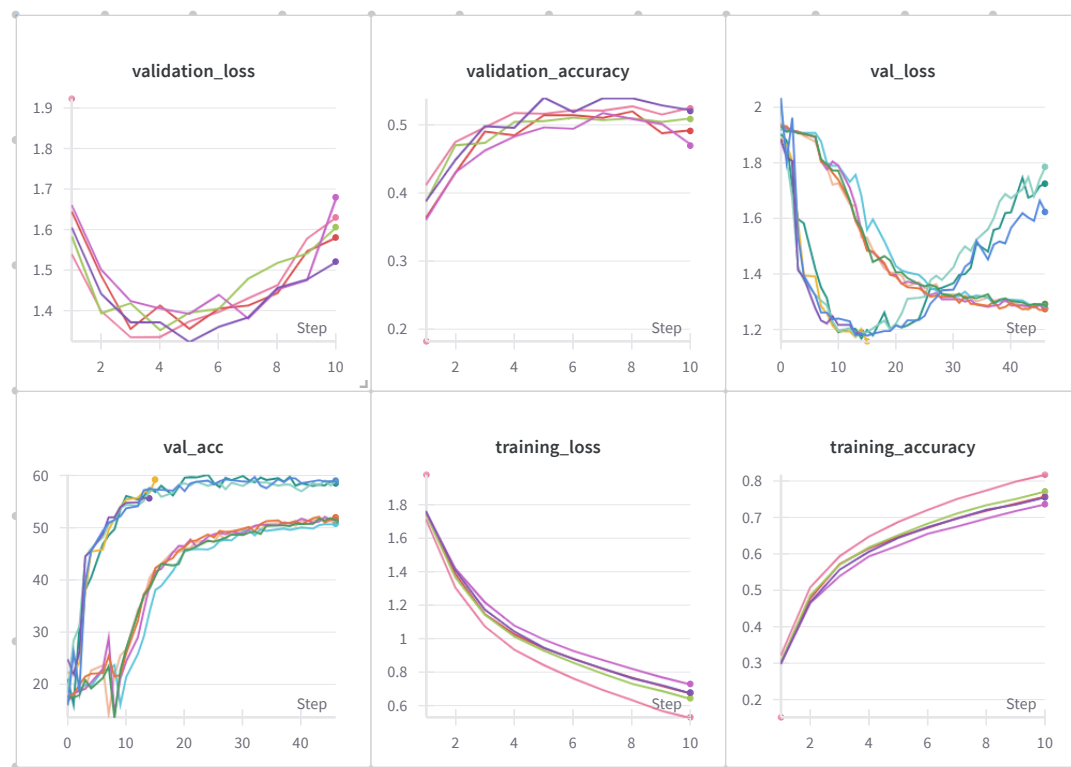

Check out how others are using reports:
